Publication of the trademark:

The publication of the public registration of your trademark is the basis of our offer. We offer you the registration of your brand in our private database www.tps-register.com. Please note that this private publication is not linked to the publication of official notifications and is not a registration of government organizations and we do not have a business relationship yet. By signing this agreement, the applicant signs a binding contract for the publication of the trademark for a period of one year. All further details are given in our General Terms and Conditions on our website. If you need help or answers, please contact us at info@tps-register.com.
